

KARLIN SLOAN & COMPANY

be the change.

Sally Harrison

Sally brings a strong record of developing capacity and enhancing performance, driving strategic change and aptly assisting companies, teams and individuals undergoing significant change. A seasoned certified Executive Coach and consultant with twenty plus years' experience as a trusted advisor to organizations and individuals, Sally has been recognized for work with scores of companies during times of volatility and change.

With a background focusing on key leadership roles across diverse industries and companies, large and small, she has served organizations ranging from Fortune 500 to VC-based/emerging growth firms as well as academic institutions. Working with high-potential executives across many disciplines, her expertise and objectivity has helped clients achieve desired outcomes, empowering them to navigate change, augment effectiveness, enhance competitiveness and accelerate growth.
